LESSON NO. 3

# SAL- VATION

REV. LUIS FLORES

**Biblical Basis:** Luke 19:10

**Text to memorize:** Romans 10:10

## PURPOSE

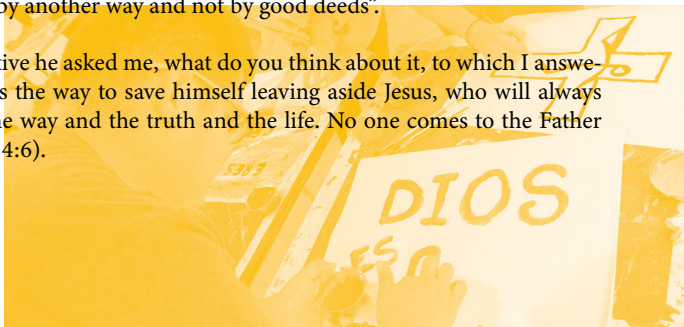

To present what the gift of salvation consists of, and the benefits obtained through it, regeneration, justification, adoption, and initial holiness.

## REAL LIFE STORY

A few years ago, a good Christian friend invited me to have a coffee, in the middle of the conversation he related the following anecdote:

“A man dreamed that he had built a ladder that went from earth to heaven, every time he did a good deed the ladder would go up a couple of meters, when he did something extraordinary the ladder would go up even more, and even more when it gave large sums of money. After a while the ladder was so high that you couldn't see the top, it was lost in the clouds. The man believed that when death came, he would climb this ladder and enter directly into paradise. Suddenly the ladder fell down and he woke up, he saw that if he wanted to be saved, he had to do it by another way and not by good deeds”.

When he finished the narrative he asked me, what do you think about it, to which I answered that each one elaborates the way to save himself leaving aside Jesus, who will always continue to tell us; “I am the way and the truth and the life. No one comes to the Father except through me.” (John 14:6).

# WHAT DOES THE SCRIPTURE SAY?

---

According to Romans 10:9-11 Paul developed determining aspects of salvation:

- 1) If you confess with your mouth that Jesus, is the Lord.
- 2) And if you believe in your heart that God raised Him from the dead, you will be saved.
- 3) Because with the heart it is believed for justice, but with the mouth it is confessed for salvation.
- 4) The Scripture says: "Whoever believes in Him will not be disappointed."

**What is it to you to confess?**

---

---

***“For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved.”***

**- Romans 10:10**

# WHAT IS SALVATION?

Salvation is a term that refers to liberation from an undesirable state or condition, it means being saved from original sin and sins committed until the day of conversion, just the fact of believing and receiving Jesus as your savior. For salvation to be holistic, the saved are purified, and can achieve a change of life and nature, remaining free and connected with God to become fully sanctified.

The concept also refers to the salvation of the soul from eternal damnation after death. In simple words, it is liberation from the bondage of sin and as a result eternal life. By grace the saved person receives as a gift, regeneration (being born again), justification (blameless, righteous before God), adoption (adopted as a child of God) and initial holiness (entire devotion to God). These benefits will be taught and shared in later classes.
